2022-0138/P	Vincent Wong and Jennifer Lo	06/04/2022 14:16:20	OBJ	<p>The proposed new development appears to include a balcony/patio in the southwest facing aspect and will overlook our property, particularly the back garden and potentially into our living/kitchen area. This will be an unacceptable [REDACTED] and quiet enjoyment of our house.</p> <p>The construction of an additional floor will also reduce the amount of natural light flowing into our property, particularly the back garden which we use regularly.</p>
