

24 Constantine Road

Ridgeline alignment | 24 Constantine Road and 22 Constantine Road

10 September 2021

- Party wall between 22 and 24 Constantine Road unaltered.
- Ridgeline of 22 Constantine Road is sagging and not level.
- Most houses in Constantine Road have a lower party wall to the east end (downhill) due to differential movement over many years resulting in ridgeline not level.
- Ridgeline of 24 Constantine Road installed level, aligns with western end of ridgeline to 22 Constantine Road.
