Dear Sir / Madam

RE: WIENER LIBRARY STEPS (PP-11143429)

We have submitted a drawing required to satisfy the planning condition relating to the material and detail of the main steps refurbishment works at the Wiener Library (original app. refence 2021/3837/P).

Once the planning application has been validated we will send in the stone sample, to try to reduce the chance of it going missing whilst the document is being validated.

Kind regards

Gavin
