Planning Officer Fast Track GG

Comments by 01 May 2022

Proposal Replacement of two existing windows on the rear elevation,

replacement of one existing window and door on the side elevation, new bike storage, insertion of a door and front

stair alterations.

Comment Yes

Observations It seems likely that the proposed alterations to the rear room

are in order to create a second bedroom. This will reduce

access to the garden for amenity use.

The bike store does not look very easy to use.
