

Subject: Application 2022/0161/P

Hi Miriam,

Re: Application 2022/0161/P

The above application has just been brought to my attention. I am a resident at the neighbouring property, 81-89 Farringdon Road, EC1M 3LL

I do not believe this application for an outdoor terrace and pergolas should be approved, on the basis that it will encourage heightened noise directly next to residential premises, potentially during all hours of the day and night. In particular, a number of residents work from home in this building and this installation could cause regular disturbances and instances of ongoing dispute.

Thank you for considering this feedback in coming to your decision.

Kind regards,
