Subject: Application reference 2022/1187/T Felling of trees in gardens of 104 Albert Street

Dear Sir or Madam

We are resident at 117 Arlington Road and therefore living opposite the trees that are to be felled. We would like to object on the grounds that our privacy will be compromised, and on environmental grounds.

We have lived here for 17 years and these trees have provided privacy, preventing us from being overlooked by our neighbours.

We see no reason for them to be felled. We have no objection to them being pollarded if need be.

It also seems extraordinary to us that anyone would consider felling mature trees in the current environmental crisis that we are facing.

Yours faithfully

Charlotte and Lewis Thorne
