Subject: Response to planning application 2022/1187/T

Hello, I write in response to planning application 2022/1187/T (felling of trees in the garden of 100-102 Albert Street).

I live in the area (at 21 Delancey Street and 156 Arlington Road) and would like to say that it would be a real shame to fell these mature trees given the loss of greenery and impact on biodiversity and air quality. I would prefer other means to be exhausted first eg pruning before a decision is made to lose these trees forever.

Thank you,
Karl Mah
