Subject: Tree Felling - Conservation area

Hi Tom,

I own Flat B at 52 Delancey Street NW1 7RY, we solely own a garden with a tree that's been around for about 15 years.

We would like to remove it and at the minimum trim it, as I understand it from what I have read online we do not need permission to trim but would need permission to remove.

Can you please let us know the steps required? Reasoning behind looking to remove is it's taking away the sunlight in our garden as it grows/have dead patches of grass as a result.

Thank you,

Ellis Pearce
