2021/3648/P	Mojgan Green	12/04/2022 10:15:03	COMMNT	Inadequate information provided. There needs to be elevation drawings of proposed bin and bike stores areas. Including all surveyed levels heights of existing boundaries etc. The proposed plan indicates no materials or elevations of the front garden with all the different visible boundaries. HCAAC requires further information to be able to assess if the proposed application of alterations do not cause damage to the property or the CA.
