Hello Amy,

I'm sorry about my delay on this.

I have rechecked our objections to 2021/5499/P – Flat A and Flat Ground floor, 56 Regent's Park Road.

I am happy to confirm that the revised, simpler, rear elevation to the addition meets our objection.

We still regret the loss of the ground floor balcony but do not object to it.

We therefore withdraw our objection to the revised application.

Thank you for your work on this application.

Richard
