Dear Amy,

Thank you very much for securing the revised scheme. It looks vastly better and is very much appreciated. The Forum would not object to the revised scheme.

Kind regards,

Dear Nancy,

Thanks for your comments for the below application at 44 Platt's Lane. We previously requested that the applicants withdrew the application or it would be refused on the basis of the front side dormer. We have negotiated the scheme, and agreed to remove the front dormer completely. Please see the revised plans attached and on the [Council website](#) (2022/0200/P). Please could you let me know if you have any comments on the revised scheme?

Many Thanks,

Amy
