Observations	<p>PRIMROSE HILL CONSERVATION AREA ADVISORY COMMITTEE 12A Manley Street London NW1 8LT</p> <p>6 April 2022</p> <p>Primrose Hill Primary School 36-40 Princess Road NW1 8JL 2022/1075/L</p> <p>The Advisory Committee welcomes the proposed restoration of the railings and removal of the paint from the stone which will restore these aspects of the Listed Building and enhance the character and appearance of the conservation area.</p> <p>We note that there is the possibility that the railings be painted either in black, as now, or in the very dark green emulating patinated bronze, which was the original colour used on cast iron railings (see, for example, the main front railings at the British Museum). We request that this decision be left open by a condition requiring approval of the paint colour in due course.</p> <p>Richard Simpson FSA</p>
