2022/0528/P	Mrs Maxwell	13/04/2022 16:12:51	OBJ	We as residents on Rosemont Road, NW3 6NE strongly object to the O2 plan.
2022/0528/P	Annett Davidson	13/04/2022 13:35:29	OBJ	The infrastructure is not suitable for the planned development. The consequences of this massive overdevelopment will be catastrophic for the local area. Underground, supermarkets, streets are already overcrowded. There is not enough parking for additional residents.
