 NOT FOR CONSTRUCTION.

<p>This is a 'Scheme Level Drawing' and is intended to illustrate the general arrangement of the project proposals. As it stands this drawing does not include all of the detail necessary for a full plans building regulations application.</p> <p>While this drawing can be used as a base drawing for construction purposes, your building contractor may require more information. It is therefore important to discuss, with your architect & builder together, where more detail would be appropriate.</p>	<p>Your Architect Your Home Licensee: Architect Your Home <i>Chelsea</i> 60 Farleigh Road London N16 7TQ</p>	<p>Drawing name: Volume Calculation</p>
