

<b>Application No:</b>	<b>Consultees Name:</b>	<b>Received:</b>	<b>Comment:</b>	<b>Response:</b>
2022/0739/P	Marion Hume	16/04/2022 20:29:33	NOBJ	I live opposite number 23 and wish to SUPPORT this application. It is challenging to insulate these old houses. I applaud this proposal for its conscious effort in the face of climate change, including replacing the windows in order to conserve energy.
