In accordance with Condition 18 of the Outline Planning Permission (2020/5624/P), this letter is to confirm that Elliott Wood Partnership are appointed as the Structural and Civil Engineers on this project through to its completion. Elliott Wood have carried out the scheme design and produced the reports which were submitted as part of the planning application.

The project Engineer is an Associate at Elliott Wood, James Hinks, who is a Chartered Engineer with the Institute of Structural Engineers – James Hinks MEng CEng MStructE. James will be working under the supervision of Director, George Georgiou, who is also a Chartered Engineer with the Institute of Structural Engineers.

As part of Elliott Wood's role, we will regularly visit site to review that the works are being built in accordance with the design, including critical elements of the permanent and temporary basement construction. We will review all relevant contractor design items for the works and provide Status A 'no comments' once satisfied that they are in general compliance with the design.

Yours sincerely

James Hinks
