2022/0981/P	MCAAC	22/04/2022 09:02:28	COMMNT	This proposal seems fairly modest and we do not object to it. As an observation, there may be issues with the very close proximity with the front window cill and we would hope that any planter boxes on the front wall were firmly fixed and not over 1.000M high.
