2022/1603/P	Elizabeth Bloor	22/04/2022 08:34:53	COMMNT	<p>I completely object to this plan. AND so do 100% of all the residents around. It is far too tall and is not in keeping with any of the historic architecture surrounding.</p> <p>NO ONE living in the the properties 44/46 Highgate Road were consulted at the time ( 2013 !!!) and of those who were consulted there was 100% objection to this. You also fail to put the monstrous new proposal for the AA site which is even taller. All my light will go and I will not see the sky.</p> <p>It is not even in line with the current Government guidelines to be carbon neutral.</p> <p>The plan is illegal as it was submitted in 2013 !!! and nearly 10 years later you go ahead. This plan is even taller than the original one.</p> <p>Camden is in the hands of the property developers and could not care about local people, their wishes or trying to make Kentish Town look a nice place to be.</p> <p>It is monstrous. Horrible and an eye sore.</p>
