Waste Comments

Water Comments

Thank you for consulting Thames Water for the discharge of matters relating to water networks. Thames Water confirm that they are happy for the water networks condition referenced, to be discharged based on the information submitted.

Supplementary Comments

Water-Thames Water can support the discharge of condition related to water supply for Phase C (a net increase 199 prop ONLY) as the modelling study dated 22/04/2022 confirms capacity existence for this increase.

Yours faithfully
