

STRUCTURAL SPECIFICATION NOTES

Significant Cracks
If discovered, a minimum of two 6mm diameter Helibars will be inserted into slots cut into adjacent mortar joints and re-pointing carried out to cover. (Render with cracks suspected of extending to substrate should be removed to sufficient extent to enable a check to be made.)

Broken/ Crumbling Bricks
If discovered, replace with new to match and make good.

Loose Bricks/ Crumbling Mortar
If discovered, remove brickwork and mortar where failed, relay bricks and make good.

PAINT COLOURS
Render - Cream as existing
External doors to street - Dark Green or Black as indicated
Metalwork - Black as existing
Windows and rendered reveals - White as existing

GENERAL NOTES

All base information and drawings have been taken from survey drawings by Flouman Craven. All dimensions are to be checked on site by the contractor and any discrepancies reported to the architect. Proposals subject to listed building consents.

All drawings to be read in conjunction with all information:
- Plans & Elevations
- Schedule of Works

All works subject to Contract Administrator and Local Authority consents.

All repair/replacement to exactly match existing surrounding location in every way.

Complementary external works for 20-22 Southampton Place and 46-47 Bloomsbury Square are covered under applications 2021/5686/P and 2021/6112/L.

Only high level works indicated are those visible from ground; full extent of works subject to full access.

See S+P Schedule of Work for details of Item nos. below.

- General works:
- Clean all parts of all walls (including rendered), roofs, gutters etc. to 1.1.5 in addition to notes otherwise.
 - Repaint all painted masonry and decorative elements to 5.4.1 unless noted otherwise.
 - Repaint all painted timber elements to 5.4.3 unless noted otherwise.
 - Repaint all rainwater pipes, railings, metal stairs and other metal elements to 5.4.4 unless noted otherwise.
 - Remove all metal window security bars (cutting fixings if unavoidable), repaint as 5.4.4 and re-secure in place.
 - Making good of fabric associated with the upgrading of existing external services allowed for elsewhere.

KEY
