4259 - Acorn House
Basement Impact Assessment

Ref: 4259/BIA

8th April 2022

Dear Katie,

I have consulted the specialist Civil's team who prepared the Basement Impact Assessment (BIA) and they have confirmed that a reduction in the proposed basement depth will not adversely impact the BIA, titled: 4259_BIA Acorn House_BIA_rev03 and issued 11/08/12/2020.

We trust the above provides the information you require and look forward to hearing from you.

Yours sincerely,
AKT II
