2021/6109/P	Danny Nissim	27/04/2022 16:54:16	OBJ	I wish to object to this application, as a roof terrace at this level could intrude on the privacy of surrounding neighbours and also cause blocking of sunlight by day and potential noise disturbance at night in this closely grouped neighbourhood. I live at 5 Camden Square which backs on to Camden Mews.
2021/6109/P	Maureen Parry	01/05/2022 17:35:25	OBJ	I object because the proposed roof terrace will directly face the rear rooms of 4 Camden Square and will impact on the privacy of residents there. My other objection is that the added height of the roof structure will reduce light in the garden and garden studio of 4 Camden Square because the sun goes down in that direction.
2021/6109/P	peter wellstein	29/04/2022 08:33:55	OBJ	<p>Dear Sirs,</p> <p>I am the owner of the 1st floor flat in 4 Camden Square literally directly opposite 8 Camden Mews. I object to the development due to concerns about additional noise impact to be expected by the use of the roof terrace. Also there will be an obstruction of the view and (less important an probably not relevant) reduction of my privacy through overlooking.</p> <p>Best regards, Peter Wellstein</p>
