---

2022/1619/T	Che van Onselen	04/05/2022 15:12:02	INT	Good day  We require you to communicate with us on this matter as excavation work could have an effect on our property. Please could you advise what is planned on being done, the purpose for this excavation work, the repercussions should this go-ahead and the roots be affected, and how much of a disruption this could have on our business during trading hours?  Kindly revert back to me as a matter of urgency.
