Supporting letter for Planning Application 2022/0972/P

To Camden Planning Department.

Hello,

We are both Local Residents who attend Camden Market on a regular basis. We would like to offer our strong support in favour of the application. It is absurd to shut restaurants and food stalls at 2100, especially in a location known for its night-time economy. Hospitality businesses are now recovering from the worst economic crisis that that industry had known for decades and the Council should support these businesses in any way it can. We rejects claims that extending the opening hours would increase anti-social behaviour. The clientele of Hawley Wharf will only enhance the local area.

Please approve this application and allow extended opening hours to enable the Camden Market area to thrive as it should.

Yours sincerely,

Tal & Omer Brener.
