2022/0846/L	Craig Duncan	07/05/2022 11:00:41	OBJ	<p>As this is a listed building and no public documents have been made available, I would like to suggest rejecting this application until they are made publicly available.</p> <p>Having checked the address on google maps (the only option publicly available) the mentioned roof terrace does not seem visible from the front - this calls into question whether this proposal is partly for the creation of a new roof terrace (?) - which would be entirely unsuitable and objectionable for this building.</p>
