2022/1403/P	Sarah Gunton	06/05/2022 10:00:20	OBJNOT	<p>I live next door at 29 Lancaster Grove and object to the airconditioning unit that is being proposed to the existing balcony.</p> <p>I object as the noise from the unit will directly impact my family when we sit out on our balcony.</p> <p>I also object with respect to environmental reasons - as a council we have committed to being net zero by 2020 - how can this be possible if we are adding to our carbon footprint with air conditioning units being added to private residences. Appreciate the reduction by use of a heat pump over a gas boiler but object to the air conditioning unit.</p>
