2022/0781/P	Mojgan	10/05/2022 13:10:33	OBJ	There is not adequate information attached to this. Application for a comprehensive assessment. However Hcaac objects in principle with adding ac units to domestic properties in our CA. There is no real sustainable nessesity for these units for cooling or heating purposes . Energy efficiency upgrades may be improved by many other means less intrusive than noise generating ac units.
