

**Rafi Miah**

---

Hello,

My neighbour Alana Stone has recently submitted a planning application for 83 Bartholomew Road, Kentish Town, which I wish to object to.

Please can you let me know when I will be given the opportunity to make my views known and the time frame? Will this application come before the planning committee and, if so, when is that likely to be?

Thank you very much,

Nicola Bolster
