2022/1059/P	Philippa	14/05/2022 17:51:52	COMMNT	I think this application should be re-considered due to the loss of daylight to no.2 Chetwynd road, natural daylight cannot be under- estimated and the significant loss of it can cause distress to those inhabitants.
2022/1059/P	Olly Watts	14/05/2022 11:27:29	OBJ	Changes the unique character of the entrance to the street. This is a conservation area!
2022/1059/P	Olly Watts	14/05/2022 11:27:27	OBJ	Changes the unique character of the entrance to the street. This is a conservation area!
2022/1059/P	Philippa	14/05/2022 17:51:50	COMMNT	I think this application should be re-considered due to the loss of daylight to no.2 Chetwynd road, natural daylight cannot be under- estimated and the significant loss of it can cause distress to those inhabitants.
2022/1059/P	shaun wilson	14/05/2022 13:14:21	OBJ	With regard to this application as a recent and long term former resident of Twisden Road, I would object strongly to allow the roof line of any terraced house in the road to be altered. Some careful, unseen (from the front) changes of these houses can be acceptable but something as fundamental as changing roof pitches, heights and optics, should not be acceptable in this conservation area.
2022/1059/P	Jess Mitchell	13/05/2022 20:39:45	OBJ	I don't feel this proposal fits in with the style of the rest of the road.It also blocks light to the neighbouring courtyard.
2022/1059/P	William and Katrina Silver	13/05/2022 15:42:01	OBJ	This end terrace house is in a Conservation Area, and abuts a large and handsome Victorian villa. The proposed development is bulky and unattractive, ruining, as it does, a traditional roofline, and it will be very noticeable from Chetwynd Road. Approving this application will increase the likelihood of further similar proposals which will remove the character of the street and make this Conservation Area seem more like areas of Cricklewood or Ilford. We object to this planning proposal.
2022/1059/P	Anna Glowacka	13/05/2022 15:21:28	OBJ	Unfortunately the roof conversion will prevent light from reaching the neighbouring house.
