2022/1538/P	Daniel	16/05/2022 19:45:11	NOBJ	This would really benefit the area
2022/1538/P	Emiliano De Cristofaro	17/05/2022 06:38:46	SUPPRT	Strongly support. The footfall and the quality of life have skyrocketed since the addition of the bins and the additional First Mile collections. But of course after a while the bins get ruined and take up visual space. The bin stores will solve this problem.
2022/1538/P	athena	17/05/2022 07:34:26	COMMNT	This would be wonderful !! We spend so much time in the square with our kids playing, socialising with neighbours. It is so good for all our mental health. Having these bins add to the environment and the visual to the area. We all try to keep the area clean and in good manner. It will help so much.

2022/1538/P	Emily Tate	16/05/2022 19:48:09	SUPPRT	Bin stores would be a welcome addition to Belsize Village! The bins have been great in cleaning up rubbish, but aren't very pretty themselves. Adding bin stores would really make the square complete!
