Tree Works at 8 Belsize Square, NW3 4HT

T1 Robinia - Fell to ground level - The Robinia has uprooted and is leaning against the Laurel next to it. It is also covered in Ivy which makes it heavier and they are worried it may fall.

T2 Elder - Fell to ground level - The Elder has a massive lean over the garden and it also has a split on the main trunk and it has lots of movement on the stump. It could potentially fall.
