Subject: Eileen W: Comments on Dartmouth Park tree applications 20/5/22

Dear Planners and Tree Officers,

List 684

2022/1890/T. Bramshill Mansions NW5

No objection to the felling of the birches as storm damaged and unstable. Application form refers to a Cypress, whereas photograph refers to a Redwood. However, as conifers, neither can be easily pruned, so 'No objection'.

2022/1916/T. 29 Laurier Road

The application states that the Willow is 40% dead, if so, then no objection to its felling.

Thank you,
Eileen Willmott
