Re planning references 2022/1270/P and 2022/1280/P

Dear Mr Wong,

I am writing on behalf of my elderly mother, Vivienne Dimant, [REDACTED]. She has recently learned that there is a proposal of a 'formation of roof terraces' on the old gym in Belsize Park Gardens. I am anxious to understand why these plans have only recently been discovered - was there any notification to the properties concerned that we missed?

I understand that because of a lack of outside space for the new proposed flats that may be built, you are planning to allow some roof gardens on top of the old gym. We would like to strongly object to this proposal. My mother will be directly affected by not only the lack of privacy but also the increased noise that will be caused. Residents will congregate on these roofs that will overlook the properties, creating a considerably more stressful environment for all affected.

Please keep me posted as to any developments.

With thanks,

Amanda Tata
