Dear Mr. Marfleet,

[REDACTED]  
[REDACTED] The proposed development will deprive us of a considerable amount of light through the only window in our sitting room. We object to this loss of light and ask that the new additional storeys proposed be set back further from the existing facade to reduce the loss to us, other flats in Sinclair House and Thanet House and the roof gardens where flowers, herbs and vegetables are grown.

We ask also that no noisy activities be permitted on the roof of the proposed development. None are permitted on the roof of our block of flats and restrictions are made clear in the leases to the flats.

Yours sincerely,

Stephan and Janet De Vos.
