Dear Ms Wujek,

Town and Country Planning (Control of Advertisements) (England) Regulations 2007, Town and Country Planning Act 1990  
Appeals by BT Telecommunications Plc  
Site Addresses: Pavement o/s 132 Tottenham Court Road, London, W1T 5AZ  
and Pavement o/s 132 Tottenham Court Rd, , London, W1T 5AZ

We have received the above referenced appeals. The appeals are now linked and will be considered together.

We have checked the documents submitted and confirm that the appeals are valid. If we later find out that this is not the case we will write to you again.

We are now waiting for a suitable Planning Inspector to become available. Once we are able to appoint an Inspector you will be allocated a named case officer who will write to you starting the appeal and setting out details of the timetable and procedure (the 'start letter'). They will also confirm when the Inspector's site visit/hearing will take place.

Information about the latest average timescales for appeals, including the average time from when an appeal is confirmed as valid to the start of the appeal timetable, can be found at: <https://www.gov.uk/guidance/appeals-average-timescales-for-arranging-inquiries-and-hearings>

Appeals Casework Portal

Details of your appeal will be available to view on the Appeals Casework Portal as soon as a 'start' letter has been issued.

Important information

Please note that we are not able to respond to queries relating to the time taken to issue a 'start' letter.

The Planning Inspectorate deals with approximately 20,000 appeals a year in locations all

over England. In order to process these as efficiently as possible our staff work hard to ensure that they identify Inspectors in the appropriate location with the appropriate experience to determine cases.

Please be assured that when we are able to appoint an Inspector to determine your appeal we will contact you again at that time.

Information about the appeals process can be accessed at GOV.UK - <https://www.gov.uk/government/publications/planning-appeals-procedural-guide>. I recommend that you read the relevant guidance.

Yours sincerely,

*PATK-Deployment Officer*
