2022/1538/P	Peter Spencer	26/05/2022 22:20:17	SUPPRT	<p>I have lived just a few yards from this location for over 30 years. The current bins are unsightly and messy, and detract from the Belsize Village Streetwork and general ambiance of the Village. I walk pass them every day.</p> <p>If proper bin stores were to be constructed, this would be a great improvement, and in keeping with the designation of Belsize Village and beyond as a Conservation Area. This in turn would lead to an increase in property values, and thus an increase in Council Tax and Business Rate revenue, which is a benefit to the whole of Camden.</p> <p>I enthusiastically support this proposal.</p>
2022/1538/P	Christopher Riding	26/05/2022 14:05:41	SUPPRT	Please just allow these bin stores to be built and kept on site. The village is a community asset at this point and they should be given what they need to remain clean and tidy.
2022/1538/P	Davi Percy	25/05/2022 15:25:57	COMMNT	It is now very much easier to keep the village tidy and clear of rubbish since the bins were placed on Belsize Terrace and putting planter/bin covers will improve the look of the bin area rather than being an eyesore.
2022/1538/P	charles Salmon	25/05/2022 16:17:14	COMMNT	<p>The bins make a huge difference to belsize terrace Particularly re litter etc which used to be unsightly and unhygienic. They were a great addition . Planter like covering would greatly enhance The area. I visit belsize village 3 to 4 times a week as I have business Interests in the village</p>
2022/1538/P	Michael Adam	25/05/2022 18:50:53	SUPPRT	I support the application and believe it will improve the local environment compared with the current bins.
2022/1538/P	Susan Clarke	26/05/2022 19:51:45	COMMNT	The bins are much better positioned at the side of the square and a bin store to hide them is an excellent idea and would be another step towards making the most of the Village square.
2022/1538/P	David Kotler	25/05/2022 15:12:36	COMMNT	The appearance of the Belsize Village square area has improved immeasurably since the bins have been placed on Belsize Terrace. Nonetheless, I believe further improvements are possible, such as planters or bin covers.

2022/1538/P	Daniella Adam	25/05/2022 14:38:32	COMMNT	The area around Belsize Village has markedly improved with the introduction of the large waste bins. More of these bins should be installed . The planters have also added a lovely dimension to the area which used to be filled with rubbish bags. Litter has markedly improved but needs constant monitoring- Belsize Crescent is the next challenge from a litter perspective

2022/1538/P	Diego Pistellato	26/05/2022 07:17:54	WREP	The introduction of the bins covers is a natural progression of what is happening to Belsize Village. The village is much cleaner and tidy since we have had the bins. However, fly tipping is a small problem that we need to try to solve and the covers are not only making the square better looking but also discouraging fly tippers.

2022/1538/P	David Jordan	25/05/2022 14:23:41	COMMNT	So good it is to have this efficient control of waste like this, like these bins here. Such an improvement. Lovely too the planter wood-pots, all thriving and well looked after. Thanks so much, Camden!

2022/1538/P	Helen	25/05/2022 15:45:10	COMMNT	The bin stores will be an asset to the village. Since the bins have been monitored, collected and controlled, the area looks tidier and cleaner The planters look fantastic and you can never have enough greenery due aesthetics and the environments.

2022/1538/P	Aya	26/05/2022 14:55:10	COMMNT	Highly needed! The square has been so much more cleaner with a proper rubbish system. The pavements are now always so clean. As a resident and a business owner, this has improved the village tremendously .
2022/1538/P	Emma Haight	25/05/2022 14:30:22	INT	<p>To whom it may concern</p> <p>I live at the top of Belsize Park Gardens (#1) and so am right near the village. I wanted to add my voice to the application to let you know that it is much easier to keep the village clean since the bins were placed on Belsize Terrace. They are critical in keeping the village clean. It would be nice if we could put planter/bin covers on/around them as this would improve the beauty of the bin area.</p> <p>Many thanks for your time and attention.</p> <p>Best Emma</p>
