2022/2173/T	B A Abraham for the Belsize Society	20/05/2022 10:55:15	OBJ	For the Belsize Society: please provide additional information, eg photos, to demonstrate that "The Robinia has uprooted and is leaning against the Laurel next to it" & that "The Elder has a massive lean over the garden and it also has a split on the main trunk and it has lots of movement on the stump". Felling is a drastic, irreversible step and insufficient evidence has been provided in the application to justify felling.
