Dear Planning Officer,

RE: Discharge of Condition 10 (PV installation) relating to approved development at the Roundhouse Theatre, application ref. 2016/5760/P.

We are pleased to submit, for approval, details of proposed photovoltaic installation as required under condition 10:

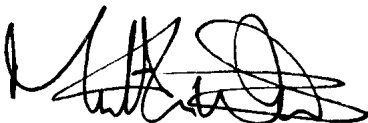

Prior to first occupation of the buildings, detailed plans showing the location and extent of photovoltaic cells to be installed on the building shall have been submitted to and approved by the Local Planning Authority in writing. The measures shall include the installation of a meter to monitor the energy output from the approved renewable energy systems. The cells shall be installed in full accordance with the details approved by the Local Planning Authority and permanently retained and maintained thereafter.

Supporting documents included with this application are as follows:

1. Site Location Plan (1056_07_001_P3.pdf)
2. Site Plan (1906(0)010 P02.pdf)
3. Roof plan showing PV layout (IB1010_Roundhouse_roof_layout_D03.pdf)
4. PV output calculations (PVSOL_3D_38_panels_R00.pdf)
5. Details of support system and inverter (TS 08 PV Rev1.pdf)
6. Drawing showing ground floor electrical installation. Note that the PV meter is indicated in red in the reception area. U1263-PE-5300 Small Power Data Ground Floor C03.pdf

Should you require any additional information, please feel free to contact me.

Yours sincerely,

Matt Watts
Director
