Subject: Planning application 2022/0339/p Change of Use 10-3-22

Good Evening Fergus,

My colleague Darwin has been trying to get a date as to when the above application will be decided. We have a homeless client who is in priority need who really needs to move on as he is in unsuitable accommodation with his 7 year old daughter.

He has already been advised by the agent/Landlord that he can move into the property if the change of use is granted.

Can a decision be made as a matter of urgency please.

Regards
