Hi,

I've just bought 55 Willes Road , nw5 3dn and there is a tree in the back garden that I'd like to prune and also remove the left trunk. The aim is for the tree to provide shade and colour but not to block the sun across the garden.

I don't think it's the subject of a tree preservation order but I believe that your team wants to know about trees etc and there could well be some forms.

I will also seek advice as to the best time of year to prune as i believe it's a fruit tree.

Many thanks

Jason chainey
