2022/1677/P	Mark Trebilcock	31/05/2022 21:29:12	OBJ	<p>As current owner and past resident at No6 Heath Villas, I wish to object to the addition of a ground floor extension for the following reasons:-</p> <ul style="list-style-type: none"># Double height closet wings have not pre-existed at No 5 & No 6 Heath villas.# The extension at ground floor would cause a loss of amenity in terms of sunlight ,daylight, overshadowing and outlook from No6. The proposal therefore is contrary to the general principals for rear extensions stated in item 4.10, page 33 of Camden Planning Guidance Design CPG 1.# The proposed changes to the rear elevation further stray from the historic window pattern, which were originally book matched at least at ground and first floor levels. The current proposals for a further accretion at ground floor level offers no architectural merit.
