2022/0781/P	Judith Twentyman	05/06/2022 19:01:29	OBJ	<p>It is unclear what this application actually relates to.</p> <p>If this is for the removal of the TPO, then I do object to this. The tree is more important than an air conditioning unit and I cannot see why it would need to be removed.</p> <p>Please note that regarding the original application for the Air conditioning unit - 2021/0190/P - was not advertised in Hollycroft Avenue despite the installation affecting my property as much as those in Ferncroft Avenue. I will write to the planning Ombudsman on this matter as I would definitely have objected to the air conditioning unit.</p>
2022/0781/P	susanne salmanpour	31/05/2022 11:41:24	COMMNT	<p>WE live in no. 6 Ferncroft Avenue.</p> <p>WE are extremely concerned about the size of the machine and the noise pollution that it will create. What is exceptional in Hampstead is its peace and quiet and this machine running all summer while everyone wants to enjoy the garden will destroy our joy of outdoors.</p> <p>We object about this installation and would like the planning permission officer to come and check the noise pollution of this machine.</p> <p>Thank you</p>
