2022/2102/T	Mojgan green	06/06/2022 09:54:03	AMEND	There are no photos attached to verify claim of boundary wall failure. Please require aboricultural report on the state of these trees and ask if the two apple and plum trees may be moved further than the boundary walls. Alternatively if removal is necessary please request that they should be replaced by 4 no fruit trees in this back garden.
