As a local resident I am concern about these and the increase in heavy construction trucks and the environment impact on air quality.</p>
2022/1549/P	lorraine Hayward	06/06/2022 12:53:35	COMMNT	<p>Hi i live in Tolmer Square just behind what would be this development, and can i just say we already live in blight zone of HS2 making and have had to suffer years of building works in our area.... we are just getting through the demolition and rebuild of the % story buildin on the corner of Drummond street and Hampsead rd.... and if this development goes ahead looking towards another year of 8am drilling... also the height is higher than all the other buildings on Drummond st???? arnt we trying to conserve the feel of drummond street after the desolation caused by HS2?? No to more building....</p>
