**Re: Application for Planning and Listed Building Consent to replace the wooden double-glazed windows and access doors at the rear and fifth floor front with modern aluminium powder-coated double-glazed units, and mini dormer units within existing openings on the fifth-floor rear elevation.**

In accordance with the provisions of the Town and Country Planning (Development Management Procedure) (England) Order 2015 Certificate under Article 14 & Regulation 6 of the Planning (Listed Buildings and Conservation Areas) Regulations 1990, we are required to give notice to all Owners (meaning a person having a freehold or leasehold interest with at least 7 years unexpired) of any part of the land or building to which the application relates ('CERTIFICATE OF OWNERSHIP – CERTIFICATE B').

We hereby give notice that we have submitted on 26 January 2022 to the London Borough of Camden an application for Planning and Listed Building Consent to replace the wooden double-glazed windows and access doors at the rear and fifth floor front with modern aluminium powder-coated double-glazed units, and mini dormer units within existing openings on the fifth-floor rear elevation.
