**Re: Flat A, 13 Crossfield Road, Belsize Park, NW3 4NS**

To Whom It May Concern

Further to the submission of planning application documents in relation to 2022/0709/New we write to confirm our appointment as Structural Engineers for this project. We also remain appointed for the overall project associated with planning approval 2016/6426/P (which was granted on 12/05/2020 and condition 4 contained therein).

*Condition 4*

*The development hereby approved shall not commence until such time as a suitably qualified chartered engineer with membership of the appropriate professional body has been appointed to inspect, approve and monitor the critical elements of both permanent and temporary basement construction works throughout their duration to ensure compliance with the design which has been checked and approved by a building control body. Details of the appointment and the appointee's responsibilities shall be submitted to and approved in writing by the local planning authority prior to the commencement of development. Any subsequent change or reappointment shall be confirmed forthwith for the duration of the construction works.*

The Chartered Structural Engineer is Michael Johnson, BEng CEng MStructE (Membership No. 024452982) of Piledesigns Limited.

We will be carrying out site inspections and monitoring throughout the construction phase to ensure compliance with all temporary and permanent works drawings and details and in accordance with the structural design which has been checked and approved.

Yours sincerely  
For Piledesigns Ltd

Michael Johnson  
Geo-Structural Engineer
