Dear Sir or Madam,

Re: 2020/0713/P - 63 Rosslyn Hill - NW3 5UQ - Erection of a single storey ground floor extension to replace the existing ground floor conservatory; creation of a recessed roof terrace at second floor level; relocation and enlargement of the existing rear dormer; and changes to the side and rear elevation fenestration

We have the pleasure in submitting an application for a non-material amendment in relation to planning consent ref: 2020/0713/P

We are proposing to slightly alter the approved rear elevation, in order increase the height of the parapet wall to the ground floor rear extension. Please find the following revised drawing enclosed for your reference;

1. *Drawing Ref: 2313-200.2-C Proposed Side and Rear Elevations*

We trust that you have all of the information required to consider our application – however, please do not hesitate to contact us, if you do have any queries

Yours sincerely,

David Kavanagh

Senior Architectural Designer
