Subject: For the attention of Tom Little Application number: 2022/1187/T

Dear Tom Little,

I am writing you about the above planning application for the felling of trees at Cecil House, 102 – 104 Albert Street, NW1 7NE. We were delighted that the decision to the original application was to put a Preservation Order on the two trees in question, however I note that they intend to appeal. I would be grateful if you could advise me as to what the next steps we should take so as to ensure we have done everything to save these trees.

With many thanks

Mary
