**Subject: High line project**

Dear Patrick

I am very concerned that a club in Royal College street is part of the high line project in Camden I or my neighbours do not want this We had it before when there was a club in the same building Bonny street and Prowse Place was used as a toilet and people getting sick in our doorways Also there was a murder at the top of Bonny street Another concern is space being rented to film crews We have enough of this with Prowse Place being very popular with film crews and our parking being suspended while filming takes place I am disabled and find it difficult to find parking near my home

Yours truly
