Dear Mr Marfleet

I object to this application.

We all want the best for sick children but this does not give GOSH the right to trample on local concerns. The proposed construction access from Gt Ormond St would have a devastating effect on that street, its residents and neighbours. The fact is, if LB Camden tells them they will have to access the site from Guildford Street rather than Gt Ormond Street, that is what they will do. We are depending to you to protect our community.

Yours sincerely

Stephen Hargrave
